EXPERIENCE

Oracle Certified Professional

2025

Oracle University

- Gained practical knowledge of large language models, prompt engineering, and fine-tuning. Learned to build and deployed a conversational chatbot using LangChain and Oracle Cloud Infrastructure, integrating retrieval and vector database techniques

Tutor | Computer Science

2023 - 2024

Stellenbosch University

- Provided mentorship and academic guidance to peers, developing communication and leadership skills. Organised and explained complex concepts in a clear, client-oriented manner.

Data Analyst Intern

2023

PwC Namibia

- Contributed to a data migration task, which strengthened my understanding of data accuracy and secure handling of information.
- Maintained accurate records and supported the team with documentation and reporting.
- Adapted quickly to new systems and maintained high attention to detail.

Academic Advisor in Residence

2023

Heemstede Ladies Residence

- Provided administrative and emotional support to students, helping them manage academic and personal challenges.
- Scheduled meetings, managed reports, and handled confidential information with discretion.
- Fostered a friendly and professional environment within the residence
